Dear QSOBS partners,

We are honored to have so many believe and support the good work that God is doing at QSOBS. For several years now, Faith Village Church of Christ has been able to execute electronic transfer of funds (ACH) for supporters who would prefer not to write and mail a check each month. In reality, this draft process helps the QSOBS maintain a stabilized source of donations. If you choose to authorize a draft, know that you can cancel at any time and that a record of your donation will be sent in January of each year for tax purposes. Thank you for your faithful investment in the advance of the Gospel in Latin America.
